# PRESIDENTIAL SPEECH

**ELEVATION**  
Conference 2024

First and foremost, we give all glory and thanks to God Almighty for His grace and faithfulness in keeping us as the Youth of Lagos West Baptist Conference. It is by His mercy that we are here today, and we pray that He will continue to guide and provide for us, especially in these challenging times. Amen.

I would also like to express my deepest appreciation to all our Association Presidents and Secretaries for their unwavering support for this administration since we came onboard. May God continue to move our associations forward, and may His wisdom and favor continue to rest upon you, in Jesus' name. Amen.

Also, I want to extend heartfelt thanks to our patrons and consultants for the tremendous support they have given to us. Your love, both moral and financial, has been a blessing to the youth ministry, and we do not take it for granted. We pray that God continues to bless you abundantly for your generosity and care in Jesus' name. Amen.

## **OUR THEME:**

Our theme for this year's Elevation Conference is "IN HIS PRESENCE," based on the scripture from Psalms 16:11: "You will show me the path of life; in Your presence is fullness of joy; at Your right hand are pleasures forevermore." As we reflect on this scripture, we see that God has consistently reassured His people of His presence. One powerful example is when the Israelites were on their journey to the Promised Land. Moses understood the importance of God's presence and declared, "If Your Presence does not go with us, do not bring us up from here." (Exodus 33:15). Moses knew that without God's presence, their journey would be impossible.

The presence of God brings with it assurance, safety, help, deliverance, joy, peace, and so much more. The Psalmist recognized the importance of dwelling in God's presence, which is why he declared, "Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever." (Psalms 23:6).

However, we must remember that God's presence can not dwell in a sinful vessel. In Exodus 33:3, God told Moses that He would not go with the Israelites to the Promised Land because of their sinful nature. They had to repent and seek forgiveness for His presence to be restored. In the same way, to fully experience the presence of God, we must live lives that honor Him and are free from sin.

**CONCLUSION:**

I warmly welcome each of you to this year's Elevation Conference 2024. Our prayer is that this conference will be a time of spiritual renewal and that each of us will experience the fullness of God's presence in our lives. May we all be filled with His peace, joy, and divine guidance in Jesus' name. Amen.

Once again, welcome to Elevation Conference 2024. I believe that we will all leave this conference with powerful testimonies of God's goodness.

Thank you, and God bless you all!

Yours in Christ.

LWBYC PRESIDENT

DN. CHRISTOPHER UGIAGBE

**Make a joyful noise unto the LORD, all ye lands. Serve the LORD with gladness: come before his presence with singing. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the LORD is good; his mercy is everlasting; and his truth endureth to all generations. Psalms 100: 1-5 (KJV).**

O Lord!  
Glorious, glorious is Thy name  
O Lord!

2. Great Redeemer, Lord and  
Master,  
Light of all eternal days,  
Let the saints of ev'ry nation  
Sing Thy just and endless praise!

3. From the throne of heaven's glory  
To the cross of sin and shame,  
Thou didst come to die a ransom,  
Guilty sinners to reclaim!

4. Come, O come, immortal Saviour,  
Come and take Thy royal throne;  
Come, and reign, and reign forever,  
Be the kingdom all Thine own! Amen

## ROCK OF AGES (EBH 103)

1. Rock of ages, cleft for me,  
Let me hide myself in thee;  
Let the water and the blood,  
From thy wounded side which flowed,  
Be of sin the double cure,  
Save from wrath and make me pure.

2. Could my tears forever flow,  
Could my zeal no languor know,  
These for sin could not atone:  
Thou must save, and thou alone  
In my hand no price I bring.  
Simply to Thy cross I cling.

3. While I draw this fleeting breath.  
When mine eyes shall close in death.  
When I rise to worlds unknown  
And behold Thee on Thy throne.  
Rock of ages, cleft for me.  
Let me hide myself in Thee. Amen

## **ADAPTIVE COPING STRATEGIES TO NAVIGATE LIFE'S CHALLENGES**

The times we are in is quite challenging and very difficult to navigate. Just like a ship on the boat, faced with the storms and the different elements of the sea so is life with its very many challenges ( Personal Challenges, Relationship Challenges, Career Challenges, Financial Challenges, Health Challenges). To effectively navigate these challenges, adaptive coping strategies becomes a prerequisite.

Adaptive coping strategies refer to techniques and methods used to manage and overcome stressful, difficult, or traumatic situations in a healthy and constructive way. These strategies help individuals adapt to adversity, build resilience, and promote overall well-being.

Key Characteristics of Adaptive Coping Strategies:\*

1. Effective in managing stress and emotions
2. Promote problem-solving and decision-making
3. Enhance resilience and adaptability
4. Foster personal growth and self-awareness
5. Improve relationships and social support
6. Reduce negative emotions and behaviour
7. Increase positive emotions and well-being

Adaptive coping strategies help us navigate life's challenges with resilience and effectiveness. Here are some strategies we can adopt:

- Challenge negative thoughts
- Reframe perspective
- Focus on the present moment
- Learn from failures and setbacks
- Practice self-awareness
- Foster a sense of purpose

Develop a growth mind-set

- Practice gratitude
- Set realistic goals and deadlines
- Prioritize sleep and exercise
- Healthy eating habits
- Engage in hobbies and creative activities
- Self-compassion and self-forgiveness
- Mindfulness meditation (Deep breathing exercises, journaling, grounding techniques, emotional labelling)
- Humor and laughter
- Creative expression (art, music, writing)
- Connect with friends and family
- Seek professional help (therapy, counselling)

Be aware of these negative coping strategies. They can exacerbate problems or create new ones. Examples include:

1. Substance abuse
2. Avoidance behaviours
3. Denial or suppression of emotions
4. Aggression or violence
5. Escapism (e.g., excessive gaming, TV watching)

Remember, life challenges are opportunities for growth and learning.

God bless!

## **REDEEMER'S BAPTIST YOUTH ASSOCIATION REPORT (2024)**

We are grateful to God for a great year so far.

It is our routine to gather to fellowship as youths, every last Sunday of the month and also for executives to meet together, every third Sunday of the month.

This year, we have had various fellowship programs in each month ranging from;

January – Prayer Fellowship

February – Creating extra Streams of Income

March – Plan your career

April – Convention in session

May - Do not be Tired to Try

June – Youth week / Young and Dynamic

July – Relationship Talk

August – NBCYC

September – Mental Health Talk

These programs have been youthful, insightful and beneficial for our growth as youths.

We are grateful to God to have gotten well-seasoned speakers to anchor each of our programs.

This year, we also co-hosted Lagos West Baptist Youth Conference 2024 youth Ushering in, and to the glory of God, we were able to meet the financial budget allocated through donation from Local churches in the association.

This year, we also successful held the Young and Dynamic 2.0 and we were able to bring together 350 youth members in attendance from within and outside the association (across the different departments; RA, LYDIA, YOUTH, BSF, G.A) to share God's words with them across every part of our lives.

This year, we also had representatives that attended Convention in session-Youth Night and NBCYC that held at Pleateu State.

As much as have planned and executed programs during our monthly fellowship, our major challenge is not-too-good turnout of youth members to attend youth fellowship. This sometimes is due to clash of programs from other units that falls under the youth category, negligence from local churches (also presidents) to mobilize members, amongst other things. To manage this, we have visited local churches occasionally, encouraged local churches presidents to attend executive meeting to tackle issues of non-responsiveness of youth members. We are hopeful that God would continually guide us to building our Baptist Youth Forum. For the rest of the year, we also have stipulated programs, including Elevation conference that is organized by LWBYC. We pray God will see us through this year and even beyond, Amen.

President, RBYA

Babalola Eniola  
Secretary, RBYA
